Dear Sir:

Applicants respectfully request that this application be revived because the abandonment was due to an unintentional delay. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. A proper response to the Final Office Action mailed March 12, 2003 as well as the Advisory Action mailed May 30, 2003 is provided herewith. Specifically, Applicant is filing herewith a Request for Continued Examination (RCE) and is submitting the After Final Response originally mailed to the PTO on June 16th, 2003. Please enter the After Final Response as a preliminary amendment in the RCE.

Applicants received the Final Office Action mailed March 12, 2003 and responded with an After Final Response on May 12, 2003. Applicants then received an Advisory Action mailed on May 30, 2003 and subsequently mailed an After Final Response on June 16th, 2003. No further action was taken by Applicant. On September 16, 2003, Examiner Oropeza telephoned Applicant to inquire about the status of the application. After reviewing the file, Applicant determined that the PTO had not acknowledged the June 16th filing via the return postcard and the Examiner
